## **OBJECTIVE**

Current student enrolled at James Madison University Integrated Science and Technology Program seeking an internship where I can add value and grow my current skillset. Able to work independently and in collaborative teams and have academic experience in improving processes.

## **EDUCATION**

### **JAMES MADISON UNIVERSITY-HARRISONBURG, VA**

Bachelor of Science- Integrated Science and Technology, Expected May 2023

ISAT is an interdisciplinary program using a broad range of scientific, technological, and social concepts to solve real world problems. My concentration is the environment, using a broad range of understanding to combat environmental problems.

## **EXPERIENCE**

### **JUNE 2020-AUGUST 2020**

#### **LANDSCAPER, GROUNDS GUYS OF MULLICA HILL, WOODSTOWN, NJ**

- Worked with team and homeowners to maintain routine landscaping schedules that boost lawn health and keep home neat and healthy.
- Removed overgrowth, hazards and debris from common pathways to improve usability.
- Diagnosed weed disease and insect problems, prune trees and shrubs.
- Responsible for daily transport of crew and equipment in company truck and trailer.

### **JUNE 2019-AUGUST 2019**

#### **LANDSCAPING, AQUATROLS, PAULSBORO, NJ**

- Assisted in the management of a turf and agricultural corporate research farm
- Responsible for scheduled maintenance including mowing, spraying and fertilization of turf plots
- Repaired underground irrigation systems
- Learned valuable skills about the agricultural chemical industry

## **SKILLS**

- Action Oriented
- Self Motivated
- Organized and Prompt
- Detail Oriented and Attentive
- Ability to Learn and Implement Quickly
- Great Team Member

## **ACTIVITIES**

My hobbies include fishing, boating, and farming. I am a member of the James Madison Club Baseball program and volunteer for Alloway Little League and The Ike Foundation, a non-profit that introduces urban youths to fishing and the outdoors.
